

## Creating a collateral contact in a contractor agency, the consent expiration date is grayed out.

Issue: Creating a collateral contact in a contractor agency, the consent expiration date is grayed out.

The screenshot shows a web browser window with the URL <https://idaho-training.witsweb.org/p/>. The browser's address bar and tabs are visible. The application interface includes a left-hand navigation menu with options like 'Home Page', 'Agency Contacts', 'Group List', 'Clinical Dashboard', 'Authorization Dashboard', and 'Client List'. The main content area is titled 'Collateral/Custodial Contacts' and contains a table with columns: 'Actions', 'First Name', 'Last Name', 'Relation', 'Phone Numbers', 'Can Contact?', 'ExpirationDate', and 'Gives permission to Treat?'. Below the table is a form for adding a new contact. The form fields include: First Name (m), Last Name (m), Relation (Mother), Gender (Female), Date of Birth, SSN, Address 1 (d), Address 2, City (d), State (ID), Zip, Email, Home Phone, Work Phone, Mobile, Fax, Other, Legal Guardian, Gives Permission To Treat? (Yes), Permission To Treat Type (Parent), Active Date (1/31/2016), and Inactive Date. The 'Expiration Date of Consent' field is grayed out. The form also includes 'Can Contact' (Yes) and 'Consent On File' (Yes) dropdowns. At the bottom of the form, there are 'Created' and 'Last Update' timestamps, both showing '1/31/2016 8:09 PM'. The form has 'Cancel' and 'Finish' buttons at the bottom right. The Windows taskbar is visible at the bottom of the screen.
